Paying Child Support

Payments Menu

The Payments Menu includes the following options:

- Make a Payment
- Manage Saved Cards
- Manage Recurring Payments
- View In-App Payments

Make a Payment

Tap **Make a Payment** to view the list of payable cases.

Note that if you already have a recurring monthly payment set up, you will see a clock icon (\mathfrak{O}) next to the case number.

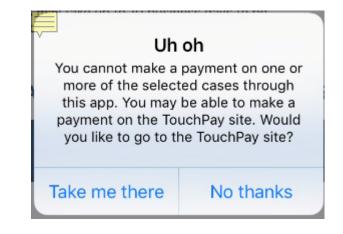

Tap the case(s) you would like to pay to highlight the corresponding checkbox.

To change the payment amount, tap the default payment amount under **Amount Due** and enter the amount you want to pay.

Tap CHOOSE PAYMENT INFO.

Under federal law, there are limitations to the amount and number of financial transactions that can be processed. If you reach the payment limits and are unable to pay through the app, you will see the following message and given the option to be redirected to the payment processor's site.

Payment Information

If you have a credit card saved that you want to use to make your payment, select the card and tap

CONTINUE.

To add a new card, select **Add New Payment Type** and tap **CONTINUE**.

Additional Information

The payment processor needs to collect some additional information about the cardholder for security purposes.

Enter the cardholder's first name, last name, date of birth, email address and phone number.

Tap **REVIEW PAYMENT**.

Payment Confirmation

The app will confirm that your payment is complete – or alert you if it could not be completed for any reason. Note that each payment per case will show as an individual charge on your credit card. For example, if you made payments on three separate cases, your credit card will reflect three separate charges.

Schedule Recurring Payments

You can only schedule monthly recurring payments at the end of the payment process, once your payment is complete.

Set Up Recurring Payments

To set up a recurring payment, tap **YES**.

Tap **NO** to return to the Payments Menu.

To change the recurring payment amount, tap the default payment amount under **Amount Due** and enter the amount you want to pay for each case.

Choose the start date of your recurring payment and tap **SAVE**.
